Here's to another fabulous dance season!

+ KEEPING OUR DANCERS AND STAFF SAFE...

Our top priority is the health and safety of our dancers and our staff. In order to return to the studio safely and to maintain a healthy environment, we ask for your patience and cooperation in following our COVID-19 DANCE SAFE STUDIO GUIDELINES:

LOBBY CLOSED

Our Lobby is closed to all parents/guardians. Only dancers and ECSOD Staff will be allowed inside the studio*. Dancers will be met by an ECSOD Staff Member at the door who will check their temperature and bring them inside for class. They will also escort them out when class is finished.

*(Exceptions only apply to those with our youngest of dancers who may be crying/need assistance. In this case, the parent/guardian must have no symptoms and must be masked. Please email us with questions.)

FACEMASKS REQUIRED

All dancers, instructors, and staff MUST wear a face covering at all times.

NO FOOD/DRINK

No outside food or drink is allowed. Dancers may bring a water bottle that is labeled. Please only bring what is necessary for dance class.

SANITIZING AND SOCIAL DISTANCING

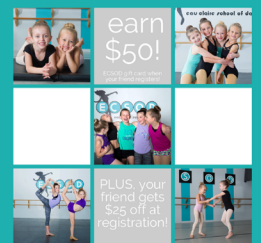

Dancers will be required to hand sanitize upon entering the building, during class, and after class. Dancers will be given socially distanced spots on the floor to dance on and will be reminded to keep their hands to themselves. Classes will end a few minutes early to allow for floors to be cleaned, surfaces sanitized, etc. Air purifiers have been placed throughout the studio as well.
