### + KEEPING OUR DANCERS, STAFF, & COMMUNITY SAFE!

In an effort to help slow the spread of COVID-19 and to keep our dancers, staff, and community safe, we are continuing to mask up at our studio. All dancers, staff members, and parents/guardians are required to wear a mask while in our studio.

We are also continuing to social distance as much as possible and sanitize hands and frequently touched items/areas regularly.

We also ask that parents and guardians refrain from hanging out in our lobby while your child is in class as much as possible.

We appreciate your cooperation and look forward to lifting these restrictions as soon as we can do so safely. THANK YOU!
